

LEAKS?!™

**THERE ARE ONLY 2 WAYS
TO REPAIR ANY ROOF:**

The Old Way

or

**The EternaBond
Way**

Made in
the U.S.A.

**And now... there's a better
way to tarp off a roof too!!**

**Peel
Stick
Stuck!**

INTRODUCING... **ETERNATARP**

The Peel & Stick tarp, utilizing advanced MicroSealant Technology.

Get rid of the nails, lumber, sand bags and weights. Just PEEL & STICK for a strong, easy to install, watertight seal.

- Tested to 110 MPH with driving rain.
- UV stable for 1 year - GUARANTEED!
- Works on all roofs, even tile.
- Easy to join additional EternaTarp for larger areas.

U.S. & International Patents Pending

ETERNABOND®

featuring

**MICROSEALANT®
TECHNOLOGY**

- **INSTALLS IN MINUTES**
- **NO MORE SLEEPLESS NIGHTS**
- **PREVENTS FURTHER LOSS OR DAMAGE**
